PETITION
TO THE HOUSE OF COMMONS IN PARLIAMENT ASSEMBLED

We, the undersigned citizens of Canada draw the attention of the House to the following:

WHEREAS, freedom of choice in health care is becoming increasingly curtailed and further threatened by legislation and statutory regulations of the Government of Canada.

WHEREAS it is a fundamental right for individuals to be able to choose how to prevent illness or how to address illness or injury in their own bodies.

WHEREAS Canadians want the freedom to decide how they will prevent illness or how they will address illness or injury in their own bodies.

WHEREAS Canadians are competent and able to make their own health decisions without State interference.

THEREFORE, your petitioners call upon Parliament to guarantee the right of every Canadian to health freedom by enacting the *Charter of Health Freedom* drafted for the Natural Health Product Protection Association on September 4, 2008.
